Voice Over Some things are hard – like listening to rap

SFX Yo' I cant carry a tune in a bucket
So I just shout and yell and shake my bling bling

Voice Over And some things are easy – like eating the two serves of fruit and five serves of vegies you need for good health – and if you don't eat your 2&5 every day we'll start playing jingles like this...

SFX Don't you be diss'n the fruit that your missin'
Start gnashing you mandibles down on some vegetables
Hey stop livin' so close to the edge
Just eat 2 fruit and all 5 of your veg
